The Pro-Life Dilemma

The Core Discipline

- When riding waves, first sight landmark
 as home base
- After each ride, check to see how far the current has taken you by seeking out landmark
- Return to home base before catching next wave

The Majority Recognizes Life

77%

among voters who said they are **very likely** to vote in the next election

73%

of voters say there are **two lives to consider**: the mother's and the unborn child's

75%

among voters who identified as Black Democrats (10 points higher than White Democrats)

Voters Overwhelmingly Restrict Extremism

5%

of voters reject **all exceptions**, including rape, incest, and risk to the life of the mother

5%

of voters reject all restrictions, including notifying the father, notifying the parents of a teenager, and waiting periods

Most Want "Choice" Made Early

73%

among voters who said they are **very likely** to vote in the next election

63%

of voters think it's important to **protect a woman's right to choose**, but that choice

should be made <u>early in pregnancy</u>

74%

among voters who identified as Black Democrats (5 points higher than White Democrats)

The Pro-Life Dilemma

54%

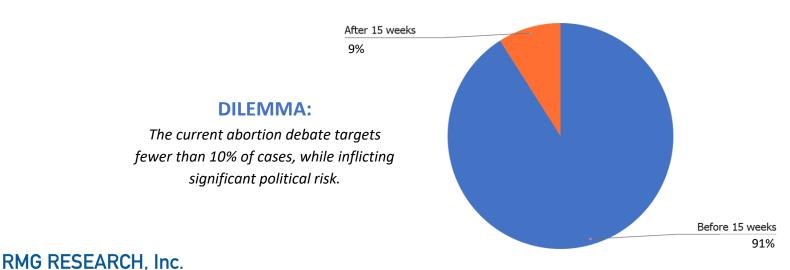

of voters support a 15week abortion ban 45%

of voters support any enforcement of a 15-week ban

28%

of voters believe stricter laws will significantly reduce the number of abortions

In reality... 91% of abortions take place before 15 weeks.

Recommended Messaging

Focus on results not process

The goal is **fewer abortions** not **perfect laws**

Being 100% pro-life means supporting policies that help women and lead to fewer abortions.

Picking Your Battles Wisely

We lose 84-12

when the fight is about making abortion illegal.

→

We win 61-19

when the fight is about <u>having</u> fewer abortions.

Only 28% of voters believe stricter laws will significantly reduce abortion.

By a 55% to 22% margin, voters believe **providing support for women in difficult situations** will reduce the number of abortions.

By a 47% to 28% margin, voters believe **holding a man financially responsible** will reduce the number of abortions.

Unite the Right by Building on Strength

65%

of voters favor an abortion regulation that requires a three-day waiting period for a woman considering an abortion **71%**

of voters favor an abortion regulation that requires parents of a teenager to be notified before an abortion **61%**

of voters favor government program that encourages women in difficult situations to give birth rather than have an abortion

70%

of voters favor investing in resources for women facing unplanned pregnancies such as counseling, material aid (diapers, formula, car seats), and even housing 60%

of voters favor a regulation that requires a woman to undergo an ultrasound before deciding to have an abortion 64%

of voters favor a regulation that requires the father of a child to be notified before an abortion 83%

of voters favor a regulation that requires abortion clinics to meet health and medical standards applied to other healthcare facilities

Radical Incrementalism

79%

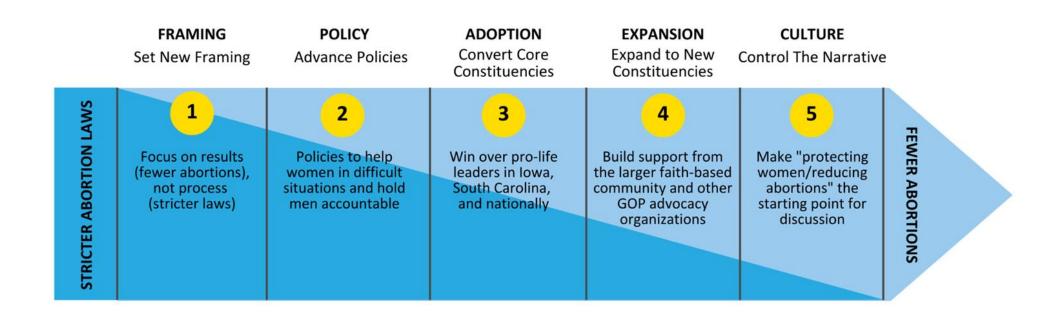

of voters believe if a man gets a woman pregnant he should be financially responsible during for mother and child during pregnancy

70%

of voters favor support for **mental health programs** to help women who
have an abortion but have regrets

Positive Leadership on the Abortion Debate

Note: In each phase, the sole objective is to get to the next phase.
